# Railway - Maintenance of Way **HORIZONTAL AND BULLNOSE GRINDERS**

HGL80

Handle Coating

Interlocking Trigger

Shaft Interlock

**Peace of Mind**

Every STANLEY HGL is thoroughly tested to provide trouble-free service, and is backed by an 18 month factory warranty.

**Powerful, Lightweight and Adjustable Hydraulic Hand Grinders**

**FEATURES:**

**HGL80, HGL81 and HGL61**

- 12% weight reduction over the HG80 providing the industry's lightest hydraulic hand held grinders.
- High performance hydraulic motors providing industry leading grinding speed and power.
- Redesigned handle eliminates the hydraulic oil from the handle, improves tool balance and user comfort.
- New long and short rear handle options improve user ergonomics.
- New adjustable front handle for improved control and ergonomics.
- New trigger interlock improves tool durability and ease of use.
- Durable grip coating on front and rear handles provides a solid grip in the toughest conditions.
- New oversized shaft interlock for ease of use during wheel changes.
- A built-in flow control valve prevents the chance of excessive spindle speed and also protects the motor, resulting in increased tool life.

Adjustable Front Handle

## LABOUNTY UNIVERSAL PROCESSORS

The LaBounty Universal Processors SV Series are ideal for demolition, road and bridge reconstruction and recycling operations. Up to four interchangeable jaws are offered per model, providing maximum versatility.

## MAX-FORCE SERIES BREAKERS

The Stanley MBX Series Breaker models feature industry leading design innovations including a patented valving system which provides unmatched performance and durability. A unique, direct-acting nitrogen chamber that results in increased impact force with the simplicity of only two moving parts, and a rugged housing and power-cell designed to excel in the most demanding applications. Stanley's MBX Series Breakers are ideal for construction, demolition and quarry applications.

## HAND-HELD HYDRAULIC TOOLS

Hydraulic Hand-held Tools from Stanley increase job versatility and gets the job done quickly, effectively, and quietly. Hydraulic power is the most efficient power of any traditional power source with the highest power-to-weight ratio of any power tool. Our hand-held line of tools can be powered from a variety of hydraulic power sources such as backhoes, aerial lifts, dump trucks and Stanley Hydraulic Power Units, including our mobile power unit – the STANLEY TracHorse.
