HGE

Model Shown :
HGE12151

Cordless grinding for signal communication

Features:

- **Powerful Force** with a 26,000 rpm motor offers more grinding power.
- **Ease of Use** with a tool-free bit change for fast and easy bit changing without a wrench.
- **Extended Protection** with a debris-free sealed switch provides durability and long switch life.
- **Reliable Charging Power** from the One Hour Charger and 18V XRP™ Li-Ion Battery from DeWALT.
- **Increased Battery Efficiency** with no memory and virtually no self-discharge for maximum productivity and less downtime.
